

Brent and Becky's Bulbs

Fee Schedule

INITIAL LECTURE AND CONSULTING FEE per 8 hour day - \$750.00 plus expenses

You may arrange for us to give talks and/or seminars to other horticultural related organizations in your area (up to 3) on the day that we are scheduled to meet with your group and share the cost of our fee and expenses with them. Most of our lectures are presented with 2 projectors on 1 large or 2 small screens. The room MUST be able to be darkened completely.

If visiting your organization requires us to stay overnight, we will be comfortable and happy staying in a hotel, but we prefer to stay with a fellow gardener in their home. Our expenses should be a lot less for you if this could be arranged.

Many organizations have a *Daffodils for North American Gardens* and/or *Tulips for North American Gardens* book sale and signing in conjunction with the talk/seminar and the profits from this sale usually pay for most of the expenses. They can be purchased outright (10 minimum) for \$10.00 each or on consignment for \$13 each. All returned books on consignment must still be wrapped in its original protective covering in order to be returnable.

Please fill in the spaces below and return that portion of this sheet to us so we'll have a written record of the talk, date, title, name of organization and contact person. **Also, please include a copy of the promotional information about this event so we'll know what the attendees expect.**
